Patent File Histories and Certified **IP** Documents

Fast, cost-effective delivery of File Histories, NPL (Non-Patent Literature) and other intellectual property documentation

Tempus IP delivers File Histories, Non Patent Literature and other IP documents from the USPTO and international Patent Offices around the world.

The interactive Tempus IP website allows clients to place and track orders 24 hours a day. Experienced advisors are available by telephone, email or fax to assist clients at all stages. Well-located to take advantage of USPTO document resources and with established contacts to other major IP centers, Tempus IP offers a flexible, trouble-free, pay-as-you-go intellectual property document ordering service.

A wide range of delivery options is offered: electronic; paper; searchable documents; selected documents such as NPL and more.

Tempus IP document delivery covers: US and International File Histories, Certified US and international documents, NPL (non-patent literature), assignment & chain of title, legalization, authentication and USPTO hand delivery services, US & international patent copies.
