*Patent Family Portal*

- Patent family data from over 70 patent-issuing authorities
- Legal status data from over 40 countries
- Clear, tabulated report format
- Uploading of multiple patent publication numbers
- 24/7 access by Internet or through link to corporate Intranet
- Flexible flat fee pricing for individual or corporate-wide use

Patent Family Portal utilises the European Patent Office developers' OPS service to retrieve the latest data from the respected INPADOC service in real-time, as well as other patent office services. Available around the clock, no software needs to be installed.

Customisation can be offered as a bespoke service, please contact us if your organisation has a special requirement.
